

## Handling Precautions

### ■ Soldering (Exclusive for reflow soldering. Cannot be used for flow soldering.)

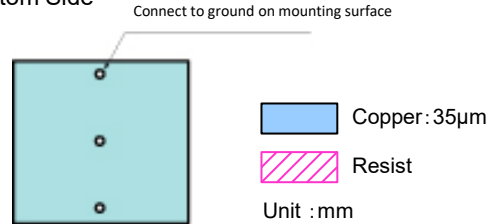

#### 1. Basic Design

Recommended Land Pattern (Unit:mm)

Top Side

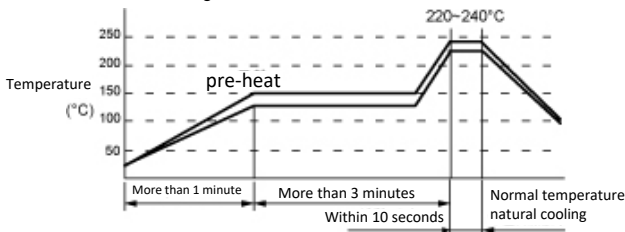

Bottom Side

#### 2. Caution for Soldering

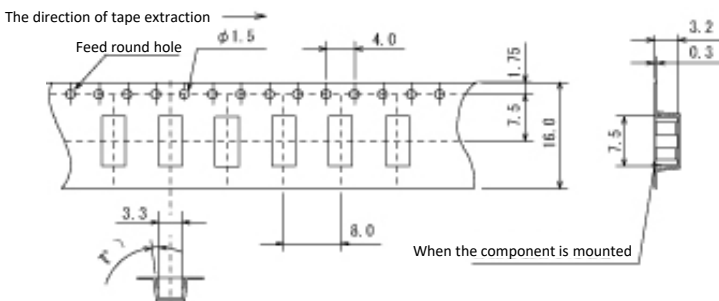

TNH Series is exclusively for reflow soldering. For soldering, please refer to the soldering curves below. The excessive heating fuses the inner solder and the short circuit and the opening and so on may occur.

Reflow Soldering Recommended Conditions

### ■ Taping
